

Materials

- **Paper** - Solar Yellow, Review Background
 - Mohawk Natural, Review Snapshots
 - Cream Parchment, Bible Verse - select version
- **Glue Stick or Tape** - to attach items
- **String** - use two 2"-3" pieces to attach the verse to the bottom of the page
- **Crayons** - for students to color their pages

Purpose

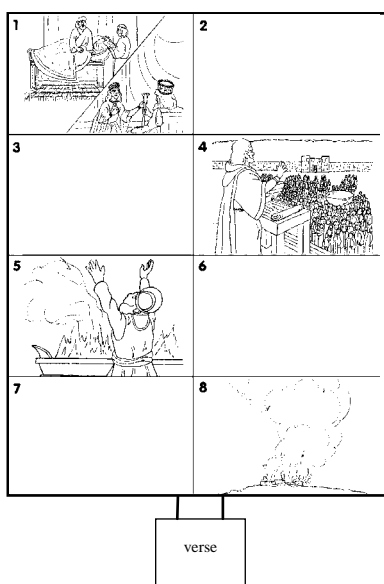

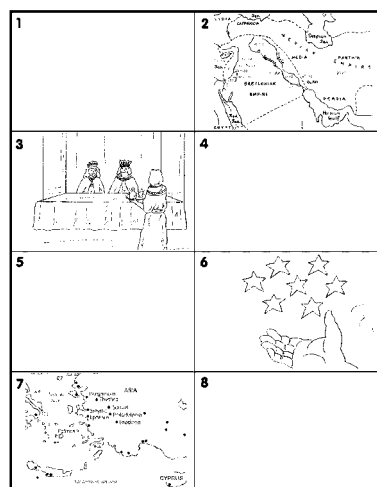

This project reviews God's love, holiness, and justice this quarter.

Preparation

- Gather the pages and supplies indicated above.
- Cut out the frames and mats for the students unless you want to have the students color the frame already on the master.

Process

- Hand out one **Review Snapshot** at a time to review and attach in order.
- Have the student attach the **Bible Verse** to the bottom of the page with string and tape. Turn the page and the verse over so you see the backs. Lay the verse below the page an inch or so. Lay two pieces of string from the page to the verse. Put tape across the strings on the page and another piece of tape across the strings on the verse. The verse should hang below the page.
- Have the student color the pictures as time allows.
